## REWARD OFFERED

For Information as to Persons Defacing and Destroying Pictures.

A few days ago the Republican state committee ordered pictures of Taft, Sherman and Glasscock placed on bill boards in the city. This was done, but soon afterward vandals tore them off. The committee is having them replaced and authorizes the announcement that a reward of \$25 will be given for information, in the event the pictures are again disturbed as the committee will prosecute any and all who deface, tear off or destroy the pictures. It is an offense those guilty of will regret having been connected with, if they are found out, and it is the purpose of the committee to see that the pictures are not disturbed.

Rev. Homer Bumgardner of Smithfield, was here Tuesday.

## SWEET MELODY FLOUR.

The Farmer's Wife  
Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms and conditions, as attested by the writings of leading teachers and practitioners of all the several schools of medical practice, have been distilled and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request to Dr. E. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.

## CONSTITUTIONAL AMENDMENTS

A Proclamation: By the Governor.

I, Wm. M. O. Dawson, governor of the State of West Virginia, pursuant to the constitution and laws of said State, do issue this proclamation announcing to the voters of the State of West Virginia that on Tuesday, next, after the first Monday in November, in the year one thousand nine hundred and eight, at the general election held on that day there will be submitted for ratification or rejection two separate amendments to the constitution of the state, as follows, to-wit:

First Proposed Amendment.

That section four of article four of said constitution be amended so as to read as follows:

"Sec. 4. No person excepting citizens entitled to vote, shall be elected to any state, county, or municipal office, but the governor and judges must have attained the age of thirty, and the attorney general and senators the age of twenty-five years, at the beginning of their respective terms of service; and must have been citizens of the state for five years next preceding their election or appointment, or be citizens at the time this constitution goes into operation."

Said first proposed amendment is designated "Qualification Amendment," and on the ballot will be printed:

"Qualification Amendment."

"Amending section four of article four."

"For Ratification."

"For Rejection."

Those favoring the ratification of said amendment will vote, For ratification: those opposing will vote, For rejection.

Second Proposed Amendment.

That section twenty-three of article eight be amended so as to read as follows:

"Sec. 23. The commissioners shall be elected by the voters of the county, and hold their office for the term of six years, excepting at the first meeting of said commissioners they shall designate by lot or otherwise, in such manner as they may determine, one of their number who shall hold his office for a term of two years, one for four years and one for six years, so that one shall be elected every six years. But no two of said commissioners shall be elected from the same magisterial district. But if two or more persons residing in the same district shall receive the greater number of votes cast at any election, then only one of such persons receiving the highest number of votes shall be declared elected. Said commissioners shall annually elect one of their number president, and each shall receive four dollars per day for his services in court, to be paid out of the county treasury; provided that such compensation shall be increased in any county, by a majority of the voters, on the question at any general or special election."

Said second proposed amendment is designated as "County Court Amendment," and on the ballot will be printed:

"County Court Amendment."

"Amending section twenty-three of article eight."

"For Ratification."

"For Rejection."

Those favoring ratification of said amendment will vote, For ratification: those opposing will vote, For rejection.

Given under my hand and the great seal of the state at the city of Clarksburg, this 10th day of July, in the year of our Lord one thousand nine hundred and eight, and in the forty-sixth year of the state.

(SEAL) WM. M. O. DAWSON, By the Governor.
